Personal data we process

E.S.P. bv processes personal data because you use our services and/or because you provide them to us through our website (e.g., via contact or request forms).

The categories of personal data we may process include:

- Name and company name
- Address and contact details (email, phone number)
Information you provide in request forms (transport requests, permit applications, escorting services)
- Technical data such as IP address and cookie data

Processing of Personal Data

We process your personal data for the following purposes:

- Handling contact and quotation requests
- Processing transport, permit, or escorting requests
- Maintaining our customer administration
- Sending a newsletter

The legal bases on which we process personal data include:

- Your consent (e.g., when submitting forms or subscribing to the newsletter)
- Performance of a contract
- Legal obligation
- Legitimate interest (e.g., maintaining the business relationship)

Sharing of Personal Data with Third Parties

E.S.P. bv will share personal data with third parties only if this is necessary for the execution of our services or to comply with a legal obligation.

Retention of Personal Data

E.S.P. bv does not retain your personal data longer than strictly necessary for the purposes for which it was collected. Contact and customer data are retained as long as there is an active customer relationship or as required by law.

Cookies

Our website uses functional and analytical cookies.

- Functional cookies are necessary for the proper functioning of the website.
- Analytical cookies provide insight into website usage and help us improve the user experience.
- Upon your first visit to the website, you will be informed about the use of cookies.

Request for Removal

You have the right to access, correct, or delete your personal data. You may also object to the processing of your data or withdraw previously given consent.

Requests may be submitted to: **bart@espbv.com**.

We aim to respond within four weeks.

Security of Personal Data

E.S.P. bv takes appropriate technical and organizational measures to protect your personal data against misuse, loss, unauthorized access, and other forms of unlawful processing.
